1. Product description:

Diamond Cup Wheel

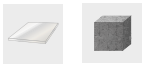

Dimensions (in):	4" x 5/8" - 11H
Dimensions (mm):	100 x 15.9 - 11H
Specification:	EASY CUT 1 HILERA
Max. rpm:	14,500
# of Rows:	1
Line:	Easy Cut®

CD

D = 100 mm
H = 15.9 mm - 11H

Angle Grinder

1. Application

• Designed for grinding marble, concrete, and concrete blocks.
• Quick and easy mounting and removal without the need for special tools.
• Excellent price-to-performance ratio.

2. Operating Instructions

• Use with an angle grinder.
• Mount the cup wheel and allow it to run at no-load speed for one minute to check for damage.
• For dry grinding applications.
• Apply moderate grinding pressure, as excessive pressure may damage the diamond abrasive grains.

3. Safety information

• Always use the appropriate safety guard.
• Never exceed the maximum operating speed indicated on the product label.
• Always wear appropriate personal protective equipment (PPE), including gloves, hearing protection, respiratory protection, and safety glasses.

4. Handling

• Initial inspection should be performed while the product is in its original packaging. If there is visible evidence of damage, the product should not be accepted.
• Handle the cup wheel carefully to prevent impacts or drops. If the cup wheel is cracked, has a detached segment, or shows any visible damage, it must not be mounted or used.

5. Storage

• Store the cup wheel in a clean, dry environment, free from moisture, dust, and dirt, preferably in its original packaging. Avoid prolonged exposure to hot, cold, or wet surfaces.

6. Packaging units

• 1 piece.
